1st Quarter 2025

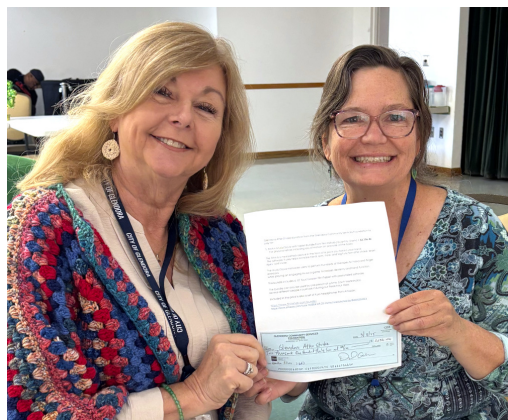

Donations

We are now the proud owners of not one but two rehab bundles from Flint Rehab, thanks to a generous \$2,136 gift from the Glendora Community Services Foundation!

Each bundle has a FitMi device for rehabbing the whole body, and a Music Glove for fun hand exercises set to music.

\$1,563 came breezing in from New Unto Others Thrift Store, a wonderful recurring partner!

Longtime snack table volunteer Elinore K gave a \$1,000 grant to keep us covered for years with snack supplies.

Julie receives a check from Debbie Lopez and the Community Services Foundation for Flint Rehab gear and computer tablets!

This quarter also brought in over \$400 in donations from several dear friends of After Strokes including Sonia V, Mike G, and some anonymous benefactors.

And each month we continue to receive our largest ongoing grant from the City of Glendora!

Thank you

Partners and Friends

- ◆ Visiting Angels of Glendora hosted a cozy and friendly Valentine's networking event. We got to make adorable valentine crafts which were later delivered to seniors in a local nursing home!
- ◆ We're lucky to have a cadre of amazing volunteers each week who help with setup, snacks, cleanup, and provide welcoming smiles and kind words of encouragement!
- ◆ Azusa Pacific University encourages nursing students to visit our support group so they can experience the magic firsthand.

Volunteers set an inviting snack table every week, and Valentine's Day was no exception!
